

ROME
CITY
LIVE LIKE A ROMAN

Welcome to
New Kingdom

From Time immemorable Rajahmundry is a synonym for Great Kingdoms & Culture. Historically Kings like Raja Rajanarendra and other great kings made this land as example of Classic Antiquity. To extend this legacy we are proud to launch "Rome City" at Airport Road - a splendid township with Roman Architecture at its heart. Grand Roman statues, Magnificent Roman Park's Pillars, Gazebo's etc all makes this a distinct Roman City.
